

SERC Spatial Reasoning Conference

<http://www.canberra.edu.au/research/faculty-research-centres/stem-education-research-centre/conference-2018>

The STEM Education Research Centre Spatial Reasoning Conference will take place from January 30 - February 1, 2018 at the University of Canberra's [Inspire Centre](http://www.inspire.edu.au/) < <http://www.inspire.edu.au/> >.

The conference will feature keynote addresses from Professor Nora Newcombe (Temple University), Professor Mary Hegarty (University of California, Santa Barbara) and Associate Professor Maria Kozhevnikov (National University of Singapore/Harvard Medical School). Read their profiles [here](http://www.canberra.edu.au/research/faculty-research-centres/stem-education-research-centre/conference-2018/keynote-profiles) < <http://www.canberra.edu.au/research/faculty-research-centres/stem-education-research-centre/conference-2018/keynote-profiles> >.

A workshop will be run by [Professor David Uttal](http://groups.psych.northwestern.edu/uttal/) < <http://groups.psych.northwestern.edu/uttal/> > (Northwestern University) and a technology workshop will be run by [Professor Rob Fitzgerald](http://www.inspire.edu.au/people/) < <http://www.inspire.edu.au/people/> > (Director of the Inspire Centre, University of Canberra).

The Conference will be chaired by [Professor Tom Lowrie](http://www.canberra.edu.au/research/faculty-research-centres/stem-education-research-centre/research-team) < <http://www.canberra.edu.au/research/faculty-research-centres/stem-education-research-centre/research-team> >, head of the University of Canberra SERC team.

Abstracts (no more than 300 words) are invited for research presentations, lightning talk sessions and a poster exhibition. Please submit all abstracts to serc@canberra.edu.au by October 27, 2017.

Event registration opens July 1, 2017.

Please direct all enquiries to the organising committee at serc@canberra.edu.au.

For Canberra travel information, please visit our [tips](http://www.canberra.edu.au/research/faculty-research-centres/stem-education-research-centre/conference-2018/canberra-travel-tips) < <http://www.canberra.edu.au/research/faculty-research-centres/stem-education-research-centre/conference-2018/canberra-travel-tips> >page.

More information will be uploaded to this page, including the [program](http://www.canberra.edu.au/research/faculty-research-centres/stem-education-research-centre/conference-2018/program) < <http://www.canberra.edu.au/research/faculty-research-centres/stem-education-research-centre/conference-2018/program> >so check back for updates.
