

Post-doctoral Position Available: The University of Pennsylvania

Applications are being accepted for post-doctoral position working on the neural basis of spatial cognition and communication. Post-doctoral fellows will conduct functional neuroimaging and/or patient-based research and will be involved in activities of the Center for Cognitive Neuroscience. Experience with methods in functional neuroimaging and background in spatial cognition or language research is highly desirable. Please send a statement of interest, CV and 2 letters of reference to: Anjan Chatterjee ([anjan@mail.med.upenn.edu](mailto:anjan@mail.med.upenn.edu)), Department of Neurology, 3 West Gates, 3400 Spruce Street, Philadelphia, PA 19104, (215) 662-4265.
